

CLEVELAND VELODROME

Collegiate Riders and Coaches,

Case Cycling proudly presents the MWCCC Regional Championship Track Time Trial Races on Saturday, September 14th at Cleveland Velodrome! We hope you'll enjoy your time in Cleveland - please don't hesitate to get in touch with any questions you may have.

Safety is very important to us. In order to host safe and fun races, we require all riders to have completed a Track 101 (or similar) intro course at a velodrome. If the rider holds a Track Cat 5 license, proof of class attendance and training at their local velodrome must be submitted prior to entry. Email proof to: info@clevelandvelodrome.org. Riders in Track Cat 1/2/3/4 do not need to send proof, but we ask that you stay upright.

Only riders with a USAC Track Cat 3 or higher license may race in collegiate mass start events. Cat 4/5 riders may *only* race in TT events.

For those riders new to track cycling, an optional, free 30-minute TT intro class (fixed gear basics, track safety, and standing starts) will be held beginning at 8am on Saturday, September 14. Please register online for the [Collegiate Track 101 Class](#) and prepare to arrive 15 minutes before the class starts. After completion of this free class, riders will be cleared to participate in Saturday's TT events.

A small number of track bikes are available for \$15 rental. Please email info@clevelandvelodrome.org with your desired frame size to reserve a bike. Bike reservations are first-come, first-serve, and limited to availability. \$15 bike rental payment is due at registration (cash/check/credit card accepted).

Finally, we welcome riders to join the Cleveland Velodrome and WASLabs/Portage Cyclery on Friday, September 13th for the 5th race in the Pyro Apparel Summer/Fall Track Series. Why not hop in a race and get a little extra experience on our 166 meter track before Saturday's big events? Collegiate riders may enter at a special rate of \$15 (instead of \$25). Race results not considered part of the MWCCC event. See series flyer [HERE](#) for more details.

- Rain Day for Saturday's Events

All riders must present their USA Cycling license at registration. Licenses will be available on-site to purchase for riders needing them (USAC One-day for \$10 or USAC Annual for \$60). All riders must sign a Cleveland Velodrome waiver prior to riding on the track, which will be available during registration.

During Saturday evening's mass start races, fields may be combined or split at the official's discretion to promote safe and exciting racing. Collegiate riders will be scored separately and will not be eligible for cash payouts (only points).

Please check our website for additional information: ClevelandVelodrome.org. Venue address is 5033 Broadway Avenue, Cleveland, Ohio 44127. Google it [here](#), parking entrance on Pershing Ave.

We are looking forward to seeing you all at the Cleveland Velodrome for a great day of racing!

P.S. This race, like all of our activities, would not be possible without the tremendous help provided by our generous sponsors. We hope you will join us in supporting the businesses and organizations that support collegiate cycling here in Cleveland and throughout the Midwest!
